PREACHERS' AID SOCIETY
51 CHARLES WESLEY COURT

WELLS, ME 04090

OR RESPOND ONLINE AT
WWW.PREACHERSAID.ORG

This year marks the 192nd year of the ministry of the Preachers' Aid Society. It was in 1832 that some faithful lay persons first recognized that they needed to pool their resources to meet needs for superannuated clergy who were unable to meet their own needs. Their faithfulness began a vision which continues to this day, because of thousands of people over our 192 year history who have shared, even a portion of their own treasure, to honor those who have faithfully served.

The Society has created the 1832 Legacy Society. It is an invitation to name the Society as part of your legacy giving and publically proclaim that you want to see the important mission and ministry of PAS continue for many years to come.

We invite you to prayerfully consider this effort and find a way to demonstrate your commitment to the vision that was birthed 192 years ago.

We appreciate receiving Memorial gifts at the time a Pastor or spouse dies. Have you considered including PAS in a list of possible memorial gifts?
